

Creative Juices: Parties for Kids

Price

\$130 for up to 6 Children (ages 6-15)
\$20 for each additional child

What we provide

- All Painting Supplies: paint, canvas, easels, brushes, palettes, aprons, tables (up to 3, five top tables) and drop clothes for tables.
- Instruction needed to complete featured painting.
- All set up and clean up.
- Juice!

What you provide

- Location: The space to accommodate the number of people in your party (a little more than you would need to sit the same number at a sit-down dinner). Ideas include--
 - Your Home: A party at your home works just fine and can make or a inviting environment.
 - Rented Space: you can choose to rent out a space at a venue; we will need to know the exact location a week ahead of time for insurance purposes. If you want to rent out a space and would like ideas of available spaces, let us know and we can help you find the perfect place.
- Food
- Tables: 1 6x4 (ish) foot and 1 smaller table for supplies. Additional tables if you plan to have more than 15 people. We provide canvas to cover all tables to mitigate damage.

Featured Painting

- From our library: You can choose a painting from our library for no additional charge. You can find all of our paintings on our website under "gallery." I am constantly updating and adding paintings.
- Custom Painting: we would be more than happy to discuss your vision and create a custom made painting for your party. There is an additional charge of \$40 for a custom-made painting.

Deposit

We require a \$75 deposit to "save your date." The deposit goes directly toward the \$132 charge. The deposit WILL be refundable if you need to cancel your event for some unseen reason, please let us know as soon as possible.

Although I love Art on Tap and owning a business, my education, training and experience is with kids. Prior to opening Art on Tap, I taught high school and middle school for ten years. I truly look forward to working with you and your little (or not-so-little) ones on creating a memorable and exciting event!
